10. Meeting close

Nature Foundation is pleased to advise that Alex Nankivell, Science and Knowledge Program Manager, Nature Foundation will present on *Drought Predator and the Health of Endangered Species at Hiltaba and Witchelina Nature Reserves*. The following grant recipients will also each provide a 3-minute presentation on their projects.

Jack Bilby – *Risk during natal dispersal: A case study using the Western Quoll, *Dasyurus geoffroii**

Claire Moore – *The spatial distribution of Kangaroo Island koalas (*Phascolarctos cinereus*) in the post-fire landscape, and their use of fire-altered habitat fragments*

Rhys Browning – *Drought resistance of Grey Box (*Eucalyptus microcarpa*): informing climate-ready revegetation of a threatened ecosystem*

Larissa Lasiello – *Assessing how artificial light and anthropogenic noise impacts the behaviour and physiology of three seabird species*

Kate Matthews – *The impact of soil moisture variability on soil microbial community structure and function in restored ecosystems*

Please note that the draft Minutes of the 2020 AGM and the 2021 Annual Report which incorporate the 2021 Directors' report, financial statements and auditors' report, will be available on the Nature Foundation website 7 days prior to the Annual General Meeting.
