

<b>Project Title</b>	<b>Heritage Agreement Landscape Region</b>	<b>Recommended funding (GST exclusive)</b>
Ongoing weed control	Hills and Fleurieu	\$2,100.00
Restoring hydrological integrity and biodiversity of Yundi Swamp	Hills and Fleurieu	\$9,560.00
Restoration and enhancement of Blackfellows Creek Reserve (Paltarilla)	Hills and Fleurieu	\$9,461.51
Woody weed and pest eradication at Yaccalilla	Hills and Fleurieu	\$9,786.00
Re-score 2015 BCM sites, quantify change and address issues identified	Hills and Fleurieu	\$2,454.40
Management Plan Actions including Stage 5 Rabbit Control Program	Limestone Coast	\$2,080.00
Kersbrook Conservation Reserve bushland restoration project	Hills and Fleurieu	\$4,635.00
Watiparinga weed control	Green Adelaide	\$9,000.00
Lenswood Centennial Park bushland restoration project	Hills and Fleurieu	\$5,000.00
Controlling the second wave of weeds	Hills and Fleurieu	\$7,484.00
Rosella De Mole Management Plan	Kangaroo Island	\$1,182
Follow-up weed control in Heritage Area 1189	Hills and Fleurieu	\$1,653.00
Bradwood Park bushland restoration project	Hills and Fleurieu	\$3,000.00
Fraser Reserve minimal Disturbance Bushcare	Hills and Fleurieu	\$4,125.00
Protection of Vulnerable/Threatened species from feral flora/fauna.	Hills and Fleurieu	\$6,583.59
Jutland Road Bush Block - Weed Control / Revegetation	Northern and Yorke	\$6,731.50
Fencing maintenance and removal program	Northern and Yorke	\$6,825
Revegetation of Caladenia and Mentha	Northern and Yorke	\$3,000.00
HA 1014 Landscape Restoration Maintenance Project	Hills and Fleurieu	\$2,500.00
Restoring Brown Stringybark Woodland	Hills and Fleurieu	\$5,000.00
Rabbit warren eradication plus conservation of biodiversity by fenceline access	Limestone Coast	\$4,182.00
Continuing to improve the biodiversity of Tarni Warra sanctuary.	Hills and Fleurieu	\$6,500

Eradicating Erica baccans (heath berry) in the Southern Fleurieu region	Hills and Fleurieu	\$5,500.00
Roachdale Reserve Conservation Management Plan	Hills and Fleurieu	\$4,400.00
Mirabeena heritage	Hills and Fleurieu	\$9,350.00
Enhancing biodiversity on Pink Gum	Hills and Fleurieu	\$6,160.00
Fire management plan for 'Curlew Springs'	Kangaroo Island	\$6,750.00
Conservation of Remnant Tall Woodland Forest, Central Mt Lofty Ranges	Hills and Fleurieu	\$10,000.00
Follow up weed control in HA 1395	Hills and Fleurieu	\$2,000.00
Removal of weeds to allow natural regeneration of indigenous vegetation.	Hills and Fleurieu	\$5,000.00
Bushfire recovery weed control and burnt fencing removal	Hills and Fleurieu	\$8,090.90
Continuation of weed control for growth seasons 2020/2021	Hills and Fleurieu	\$4,720.00
Restoring Pink Gum/Cup Gum Woodland	Hills and Fleurieu	\$8,602.00
Conservation of Manna Gum, Messmate, Candle Bark Woodland Forest.	Hills and Fleurieu	\$10,000.00
Better Management and Improvement of our Heritage Agreement area	Kangaroo Island	\$3,721.20
Heather Road Weeding Project	Hills and Fleurieu	\$9,510.00
Recovery of Bird in Hand Gold Mine Biodiversity.	Hills and Fleurieu	\$10,000.00
Integrated Rabbit control on Padthaway Heritage Agreement	Limestone Coast	\$5,047.60
Increasing habitat on the hill at Wattleflat	Hills and Fleurieu	\$4,040.00
200 Scrubby Hill Improvement Plan	Hills and Fleurieu	\$5,040
Internal Fencing Repairs / Replacement	Limestone Coast	\$3,564.00
Gumlea heritage area: flora survey, weed management and fauna monitoring	Limestone Coast	\$3,160
Rockleigh Habitat Restoration to Support Diamond Firetail Finch Recovery	Murraylands and Riverland	\$10,000.00
Weed / Rabbit / Fox Eradication	Murraylands and Riverland	\$3,551.50
Feral animals and weeds be gone	Hills and Fleurieu	\$7,000.00
Internal fencing replacement	Eyre Peninsula	\$9,992.46

Creation of "Nest & Nature" Eco-Accommodation	Hills and Fleurieu	\$5,500.00
Revitalising restoration of the Leslie Creek at Lirabenda	Hills and Fleurieu	\$5,395.00
Ongoing Gorse and other priority weed Management	Hills and Fleurieu	\$4,500.00
Post fire recovery - understanding plant species dynamics and restoration	Kangaroo Island	\$5,000.00
Reducing threats in Altona CSR Landcare Reserve	Northern and Yorke	\$7,500.00
Environmental weed control in HA 1577	Hills and Fleurieu	\$1,600.00
Priority weed and feral animal control to protect biodiversity	Hills and Fleurieu	\$5,500.00
Whipbird Heritage Area Baseline Biological Survey and Pest Control	Kangaroo Island	\$10,000.00
Walter Newell Reserve weed control	Hills and Fleurieu	\$3,500.00
Native Grass Seedbank Reestablishment in Wombat Habitat	Murraylands and Riverland	\$3,904.00
Helping conserve Mallee Fowl and Mallee Emu Wrens at Sandalwood	Murraylands and Riverland	\$7,384.56
Worlds End continuing monitoring & improvement program	Northern and Yorke	\$9,360
Raising ecological values: Emu Wren corridor and Grassy Woodland, Nangkita.	Hills and Fleurieu	\$9,334.74
Refencing Heritage area off from farming and grazing areas.	Eyre Peninsula	\$10,000.00
Boxthorn and Rabbit Control	Hills and Fleurieu	\$4,050.00
Stringybark woodland extension with improved weed management	Hills and Fleurieu	\$9,925.00
Cape Rabelais road access maintenance	Limestone Coast	\$4,000
Revitalising Conservation Activities & Monitoring Kent's Scrub (Croser's Scrub)	Northern and Yorke	\$4,442.83
Pest Animal and Weed Control to Protect Valuable Remnant Vegetation	Northern and Yorke	\$10,000.00
Enhancing and revitalising native vegetation at Bradbury	Hills and Fleurieu	\$10,000
Maintain and Enhance Woodside Bushland	Hills and Fleurieu	\$7,047.80
Wirraworra Sanctuary Conservation & Revitalisation Project.	Northern and Yorke	\$8,850.00
Landcare at Mistletoe Block (LAMB Project) Stage 1	Hills and Fleurieu	\$9,750.00
Palmer Project	Murraylands and Riverland	\$9,500.00
